

Dear applicants!

Future students of our faculty!

We are pleased to welcome you!

Dear University entrants! We will be very happy to see you among our students. International graduates are more in demand than ever on the global labor market. Our graduates work in top global corporations around the world. We are waiting only for you!

The Faculty of Economics of Perm State National Research University is the largest school of economists in the Urals and a recognized scientific and commercial center. The faculty conducts extensive research, consulting and expert activities. Founded more than 60 years ago, the Faculty of Economics has prepared more than 23 thousand highly qualified specialists. Today, more than 2 thousand students study at the faculty. Students are taught by highly qualified professors (more than 120 PhD).

The Faculty of Economics successfully implements undergraduate program in English, «**International Business**» (4 years bachelor degree, full-time). Profile "International business" allows students, along with the basic economic knowledge necessary for any professional economist, to gain knowledge about the methods of organization of foreign economic activity of enterprises, international financial markets, features of modern international communications, international standardization and certification of goods and services, customs, financial reporting in accordance with international standards, as well as a number of other professional knowledge necessary to work in companies operating in the world market. Graduates of the profile are prepared for work in the foreign economic departments of firms and government bodies, in various joint ventures, in the economic and financial divisions of enterprises and organizations engaged in export, as well as in any production and financial companies.

Our faculty always keeps up to date and is ready to accept any challenges of the modern world. We provide educational services at the highest quality level, using modern digital developments and technologies.
